

Beaumont Civic Ballet along with Beaumont Community Players presents

BYE BYE BIRDIE

Dear Patron of the Arts,

As we enter the new year and we dawn a new decade, it is the perfect time to take a moment and reflect on years past. As we do this at Beaumont Civic Ballet, we are grateful for the support you and others have given to keep the arts alive and well in Southeast Texas. In a world of increasing technological advances, it is rare to find dedicated young men and women who give focused time and energy into the art of dance. We are fortunate to have many of these young men and women under our roof at Beaumont Civic Ballet and are very excited about the future of our organization as we continue to grow with and develop these young people.

This February we are joining Beaumont Community Players and putting on a joint production of the stage musical *Bye Bye Birdie*. The community's premier dramatic arts company combined with the community's premier ballet company is a first of its kind in our area. To ensure success and to encourage more collaboration of the arts in Southeast Texas, we are asking you to join with us by selecting a sponsorship opportunity on the enclosed card.

Your contribution is the best way to ensure the art of classical ballet is kept alive in the hearts and minds of those in our community.
